Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The 5 tone Trane packaged heat pumps for rooms 201, 205, 206, & 208 have the following issues. all have high amp reading on compressors causing the compressor to overheat and shut down. Bad blower motors and 206 & 208 have bad reversing valves.

Project Category: HVAC

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$1,869.13
Amount of Local funds planned for this project	\$0.00

Please outline any associated insurance coverage.

The district does not have sufficient funds to cover the project. The remaining \$40,000 unrestricted is earmarked for curriculum for common core and the \$1,869.13 in our BRF is earmarked for the certification of our fire panels.
